# A little bit about us

Avalen is a fifth-generation family farm, lovingly restored from old granite barns into the wedding venue it is today. For generations, our family has cared for this surrounding land, and that same care and attention has shaped Avalen into a place where couples can celebrate surrounded by the beauty of the Cornish countryside.

The grounds at Avalen have been thoughtfully nurtured with local wildlife in mind, creating a peaceful setting where nature can truly thrive. Our wild meadow, filled with tall grasses and seasonal flowers, provides a beautiful rustic backdrop for newlyweds and a perfect spot for relaxed photographs.

And of course, we are lucky enough to have the stunning Helman Tor nearby — a truly picture-perfect landmark that adds to the natural beauty of the landscape surrounding Avalen.

A place shaped by family, nature, and the timeless charm of rural Cornwall.

# The Ceremony

Our licensed ceremony room accommodates up to 120 guests and can be beautifully arranged to suit your seating preferences, whether you're planning an intimate gathering or a larger celebration with family and friends. The space offers a warm and welcoming atmosphere, providing the perfect backdrop for your vows in comfort, whatever the season.

For those dreaming of an outdoor ceremony, we can also arrange seating on our grounds in front of our stunning archway. You may legally marry anywhere on our well-kept lawn, surrounded by the natural beauty of the Cornish countryside. Our arch is especially popular, perfectly situated beside our ancient sycamore tree, creating a truly romantic and timeless setting. With views stretching across the peaceful landscape toward Helman Tor, your ceremony will feel wonderfully connected to the heart of Cornwall — a picturesque and unforgettable place to begin your married life together.

# The Dining Barn

Our dining barn can accommodate up to 120 guests and provides a wonderful space for your wedding breakfast and celebrations. Lovingly restored from an old farm shed, it still holds plenty of rustic charm while offering a cosy and welcoming atmosphere for you and your guests.

The barn can be styled to suit your own taste and theme, whether you're dreaming of something beautifully simple, countryside-inspired, or dressed with elegant finishing touches. Tables can be arranged in a layout that works best for your day, with chairs available as an option to complete your chosen seating style.

To make the space feel even more personal, you're welcome to have your own music playlist played softly in the background during the meal, creating the perfect atmosphere as you dine and celebrate together. We can also arrange a special entrance song for your arrival into the barn, adding a fun and memorable moment for you and your guests.

With its inviting interior and lovely views across the surrounding grounds, the dining barn is the perfect setting for relaxed dining, heartfelt speeches, and an unforgettable celebration in the Cornish countryside.

# The Cart House

This beautifully restored space, once a traditional horse and cart grain shed, is the perfect place to begin your wedding celebrations.

Full of character and countryside charm, the barn offers a warm and spacious setting for you to relax and enjoy the lead-up to your special day.

Sleeping up to eight guests, it provides plenty of room for wedding preparations, with a dedicated salon area ideal for hairstyling.

The space is filled with wonderful natural light, making it perfect for makeup application, and includes a handy kitchenette for refreshments throughout the morning.

In the Suite you'll find a truly unique touch of luxury — a heated Roman bath, handcrafted from slate, complete with a beautiful Cornish quartz water feature, as well as a double shower on the botton floor for added comfort. It's a peaceful and indulgent space to unwind, surrounded by the calm of the Cornish countryside.

# The Bull Pen Bar

At the heart of Avalen sits The Bull Pen Bar, a beautiful and characterful space with a story of its own.

The centrepiece is our huge handmade granite bar, crafted using leftover granite from the original buildings here at Avalen. It's a lovely way of bringing a piece of the farm's history into your wedding day, combining the original character of the barns with a relaxed, modern feel.

Your bar comes fully staffed for your wedding day, so you and your guests can sit back, relax and enjoy the celebrations. We offer a great selection of local drinks, including wines, beers, ciders and spirits, with a particular focus on showcasing some of the fantastic producers we have right here in Cornwall.

We're also proud to serve a selection of handcrafted spirits from our friends just down the road at Colwith Farm Distillery, including their range of award-winning Cornish spirits.

From your first drink of the day to the last orders on the dancefloor, The Bull Pen Bar is all about great drinks, friendly service and celebrating everything we love about Cornwall.

# Tree planting

**A Living Tradition at Avalen**

At Avalen Country Weddings, every couple is gifted something truly special — the opportunity to plant a fruit tree to celebrate your marriage.

Set within our grounds is an ancient apple orchard, a space rich with history and character. Inspired by old Celtic traditions that celebrate nature, growth, and new beginnings, we invite each couple to add their own tree to this living orchard.

You are welcome to plant your tree whenever you wish — whether quietly on another visit, or as a meaningful part of your wedding day ceremony shared with your guests.

Over the years, you are always welcome to return to Avalen to visit your tree as it grows, blossoms, and bears fruit — a lasting reminder of the day your story began here. You may even gather the fruit it produces, bringing a little piece of Avalen home with you.

A simple yet powerful symbol of love, growth, and new beginnings — rooted forever at Avalen.

# Your Wedding at Avalen

When you book your wedding at Avalen, you're not simply booking a venue - you're becoming part of the Avalen family.

We don't believe in a conveyor belt of weddings or making every couple fit the same package. We only host weddings on Wednesdays and Saturdays, giving us the time and space to make each wedding feel personal, relaxed and completely your own.

Your booking includes three days of exclusive use of Avalen, giving you plenty of time to settle in, make the space yours and enjoy the whole experience rather than feeling like everything has to happen in a few short hours.

You can arrive from 12 noon the day before your wedding, giving you time to set up, decorate, meet suppliers and enjoy the build-up without the rush. After your wedding, you have until 12 noon the following day to pack away, gather your belongings and say goodbye at your own pace.

From your very first viewing through to the moment you leave, our team are here to help. We'll get to know you, understand what matters to you and work with you to bring your ideas to life. Whether you have everything planned down to the last detail or you're not quite sure where to start, we're here to help.

On your wedding day, our team are behind the scenes to keep everything running smoothly, from setting up the venue and helping suppliers, to looking after the bar and making sure you and your guests can simply relax and enjoy yourselves.

We're proud to be a working family farm, and Avalen has been lovingly created from our own land, our own history and a lot of hard work. We want that personal touch to come through in every wedding we host. Your wedding is not just another date in our diary.

We want you to look back and remember Avalen not only as the place where you got married, but as a place where you felt welcomed, listened to and genuinely cared for.

Three days. One wedding. Completely yours.
